# FORTIFIED

*Beautifully Built to Stand*

## *Prairie Victory Women's Conference*

**Pastor René McIntyre** is the apostolic founder of Trumpet of Truth Ministries. She is a prophetic preacher that brings a NOW and challenging word to the body. Her desire is to see the body equipped to live the life God has ordained for them, to see Christians rise up, move and live in the power of the Holy Spirit.

Pastor René longs for the body of Christ to experience the love of the Father to the point that all shackles fall from their lives and to the point of bringing great unity. She also desires to see the body push in to a place of holiness and a burning desire to see and live in a genuine move of God.
