

In August of 2024, Pastor Brad Dewar, Dean of Victory Bible College, set out on a mission to 3 of the Victory Afro nations. He spent nearly a month traveling to Ethiopia, Kenya, and Tanzania. He was blessed by what he found and the reports that have come from this trip are encouraging. We are so excited to see the fruit from this over the next couple of years.

Ethiopia

During his visit to Ethiopia, Pastor Brad graduated 23 VBCI students, preached in the main church in Addis Ababa, and held a Victory Vision Day for all of the Victory leadership. The Victory vision is thriving and the leaders are excited for what's to come.

Kenya

Kenya was the first nation that joined VCI over 30 years ago. We have 2 apostolic church planting groups there as well as a children's home, school, Bible college and

more. Reach, Teach, & Mobilize is in action across Kenya!

Tanzania

Tanzania is on the verge of explosive growth. With passionate leaders and more being released every year from VBCI. They are preparing to double the number of Bible College graduates for 2025.
